

CATCH A WAVE

Catch a wave and you're sittin' on top of the world

Don't be afraid to try the greatest sport around

Everybody tries it once -----

Brian: Those who don't, just have to put it down

You paddle out, turn around and raise, and baby,

That's all there is to the coastline craze, you gotta

Catch a wave and you're sittin' on top of the world

Not just a fad cause it's been goin' on so long

All the surfers going strong -----

Brian: They said it wouldn't last too long

They'll eat their words with a fork and spoon, and watch 'em,

They'll hit the road and all be surfin' soon, and when they

Catch a wave they'll be sittin' on top of the world

SOLO

Catch a wave and you're sittin' on top of the world

So take a lesson from a top-notch surfer boy

Get yourself a big board -----

Brian: But don't you treat it like a toy

Just get away from the shady turf, and baby,

Go catch some rays on the sunny surf, and when you

Catch a wave you'll be sittin' on top of the world

(Way up high, up on top of the world)
