

## SHUT DOWN

Tach it up, tach it up. Buddy, gonna shut you down

(Ooh, rev it up, now)

It happened on the strip, where the road is wide

Two cool sharks standin' side by side

Yeah my fuel-injected Sting Ray and a 413

We're revvin' up our engines and it sounds real mean

Tach it up, tach it up. Buddy, gonna shut you down

(Ooh, move it out, now)

Declinin' numbers at an even rate

At the count of "1" we both accelerate

My Sting Ray is light, the slicks are startin' to spin

But the 413's really diggin' in

Gotta be cool now, power shift, here we go

*Superstock Dodge is windin' out in low*

*But my fuel-injected Sting Ray's really startin' to go*

*To get the traction, I'm a-ridin' the clutch*

*My pressure plate's burnin', that machine's too much*

## GUJAR SOLO

(Ooh, honkin' on, now)

Pedal's to the floor, hear his dual quads drink

And now the 413's lead is startin' to shrink

He's hot with ram induction but it's understood

I got a fuel-injected engine sittin' under my hood

Shut it off, shut it off. Buddy, now I shut you down (4x)

Shut it off, shut it off. Buddy, gonna shut you down
